

REMARKS

Claims 1-26 were previously pending in this patent application. Claims 1-26 are subject to restriction and election requirement. Herein, Claims 11-26 have been withdrawn. Accordingly, after this Amendment and Response To Restriction and Election, Claims 1-10 remain pending in this patent application. Further examination and reconsideration in view of the arguments set forth below is respectfully requested.

In the Office Action mailed 10/26/2004, it was stated that the present patent application contains two distinct inventions related as process of making and product made. As such, it has been required that an election of a single invention for prosecution on the merits be made pursuant to 35 U.S.C. Section 121. Specifically, it has been required that an election be made between a first invention, Group I, recited in Claims 11-26, drawn to semiconductor device, and a second invention, Group II, recited in Claims 1-10, drawn to process of making a semiconductor device.

INVENTION ELECTION WITHOUT TRAVERSE

Group II, recited in Claims 1-10, is hereby elected without traverse. Moreover, Claims 11-26 are hereby withdrawn. Further examination and reconsideration of the elected invention is respectfully requested.

CONCLUSION

It is respectfully submitted that all of the claims are in a condition for allowance. The Examiner is invited to contact Applicants' undersigned representative if the Examiner believes such action would expedite resolution of the present patent application.
